

**Accommodation**

Private rental apartments with reasonable rent around our university are available for the students. Students can reside alone or together with housemates in rental apartments. In this issue we will guide and help you.

**Mentoring program**

The Esenyurt University offers a mentoring program to incoming students. The Peer Mentoring program runs in both the 1st cycle and 2nd cycle programs, offering incoming students the opportunity to benefit from the local students' guidance and advice in settling to study at our university. The Peer Mentoring program is also an opportunity for incoming students to learn the environment, culture, social life and history of Turkey since they will receive dedicated mentors who will be comprised of volunteers from local students and staff.
